Agents Welcomed to Windermere's Rancho Mirage Office

PALM SPRINGS, CA – January 25, 2013 – Windermere Real Estate Southern California is pleased to highlight three exceptional real estate professionals who have recently joined their Rancho Mirage office located at 71691 Highway 111.

A long-time resident and homeowner in the Coachella Valley, Jane Alcumbrac brings a wealth of local knowledge and an eye for detail to bear on behalf of her clients. An honest and enthusiastic listener, Jane has a deep respect for each individual client's real estate needs and finances. Prior to her work in real estate, Jane worked in both the legal and tax preparation industries. Her 18+ years of experience in both fields gave Jane an incredible talent for investigative research and meticulous attention to financial details which translates into a superior level of skill in assisting her clients to reach their real estate goals. An active member of the communities she serves, Jane has been a Trustee for the Palm Springs Cemetery District since 1994 and volunteers her time and grant writing skills to KASE (Keeping Animals Safe Everyday). Jane loves to work with Buyers and Sellers throughout the Coachella Valley.

An experienced business woman and real estate veteran, Kate Brady is a seasoned professional who offers her clients caring and committed service, flavored with Southern charm. A Nashville native, Kate had been a visitor to the Coachella Valley for over 30 years before finally buying a home in the Woodhaven Country Club of Palm Desert in 2007. A real estate legacy, Kate's family's work in real estate goes back to her grandfather. Experienced in the range of real estate transactions as both an agent and investor, Kate has been buying and selling commercial and investment properties for over 30 years. Her commitment to providing the best customer service has made Kate a stand-out success in her real estate practice as well as the numerous, successful retail businesses she has owned. An active golfer and tennis player, Kate enjoys all of the desert's amenities – incredible weather, beautiful vistas and the opportunity for a healthy, active lifestyle. Kate focuses her concentration on the Palm Desert market, particularly her own community in Woodhaven Country Club, but works with clients throughout the Coachella Valley.

Broker Associate Joe Katnic brings over 16 years of industry experience to his clients throughout Southern California. A long-time visitor and now resident of Rancho Mirage, Joe owned and operated his own boutique real estate brokerage in the Los Angeles area port town of San Pedro, where he was born and raised. Joe began his real estate career as a builder and investor nearly 30 years ago. His knowledge and experience in construction gives him a good background for assessing what can be done with a potential property. Joe's considerable knowledge and experience of every step of the

real estate transaction process enables him to keep his clients well informed during each transaction. Joe's understanding of the various communities throughout the desert area, combined with his experience in other Southern California markets, is an advantage to his clients who are looking to relocate to the desert or to the coast. Active in the communities he serves, Joe has been a member of the Elks Lodge and a longtime supporter of the Dalmation-American Club of San Pedro.
