

Windermere Welcomes George & Patty Prunty to La Quinta

FOR IMMEDIATE RELEASE

PALM SPRINGS, CA – July 20, 2013 – Windermere Real Estate Southern California is pleased to welcome George and Patty Prunty to the growing family of real estate professionals at Windermere’s La Quinta office located at 47-250 Washington Street.

“George and Patty are wonderful people who come to us with an impressive history in business, customer service and success,” said Sandy Beakey, Managing Broker of Windermere’s La Quinta office. “They are a fantastic addition to our La Quinta office and we are thrilled to have them.”

A dynamic couple with a wealth of sales and management experience, George and Patty Prunty relocated to the Coachella Valley two years ago after having been frequent travelers to the area for work and vacation. George, an active golfer, and Patty, an active doubles tennis player, fell in love with the desert immediately. As residents of Sun City Shadow Hills, they enjoy the great community amenities as well as the camaraderie they have found with their fellow residents. George takes advantage of the 18-hole, par 3 North Course while Patty enjoys the hitting the courts with other members of the Tennis Club.

“Having traveled extensively in my previous career, I was lucky to be able to visit the Coachella Valley area frequently. There really is no other place like it for the beautiful landscapes and incredible weather. We have found living here to be as relaxing and entertaining as when we were just visiting,” shared George.

With over 25 years in sales and management, George Prunty brings an informed perspective and experience to his real estate business. As a Vice President of Sales for a large international supply firm, George was responsible for managing a sales force that brought in in excess of \$560 million in annual sales and revenue, including the national accounts for clients such as Hilton Hotels and the Cheesecake Factory. Throughout his career, George was recognized for numerous sales awards like Territory and District Manager of the Year. His exuberant spirit is balance by a calm demeanor which his past clients have appreciated as well as his strong work ethic and knowledge.

No stranger to business, Patty Prunty was born with an entrepreneurial spirit and has been the successful owner and operator of two self-started businesses along with raising two beautiful daughters with George. After working in retail lights stores as an outside sales representative, Patty took her knowledge and experience and founded her own highly successful lighting store. The lighting store located in Dublin, just a few

miles from the Prunty's Pleasanton home, allowed Patty to grow and flourish while increasing her sales, design and management experience.

George and Patty provide an incredible level of service to their buyers and sellers in the Coachella Valley, focusing on the East Valley cities of Palm Desert, La Quinta and Indio.

"We are humbled every time professionals of George and Patty's caliber approach us to help them grow their real estate business," said Bob Deville, Co-Owner and Principal of Windermere Real Estate Southern California. "We are thrilled they chose to join us and look forward to providing them the support to take their business to the next level."
