Windermere Southern California Offices Attract The Finest

RANCHO MIRAGE (Calif.) – March 24, 2012 – Windermere welcomes the following agents to its Palm Springs offices.

Palm Springs Main office (850 N. Palm Canyon Drive) – **Sherry Berry-MacGregor**, with 21 years in real estate, also applies skills gained from her earlier career in landscape design and installation, a valuable adjunct to desert buyers and sellers who appreciate the desert's outdoor lifestyle. **Eric Cleveland** brings to his clients the insight from 8 years as a certified real estate appraisal, as well as over two decades owning his own landscape contracting business. **Michael Hargett**, selling real estate since 1999, loves real estate for the freedom it gives him to make his own hours and succeed on his own merits. **Jerry Lanning** returns to Windermere, applying the exceptional customer service skills gained from his earlier career with the US Postal Service for his real estate clients. **Joe LeMier** meets his clients' needs utilizing 30 years as a manufacturer's representative, and he translates that experience into dependable action for his buyers and sellers. "I chose Windermere for its professional image and its 'high tech' programs," says Joe. **Barbara Mulholland** has a reputation among her clients as a friendly, honest, helpful and hard-working Realtor. She specializes in Desert Princess and Palm Springs Downtown properties. **Stacey West** has built her real estate career from the ground up, starting out with Windermere as a Realtor's assistant. She is a Home Affordable Foreclosure Alternatives (HAFA) certified specialist, and works with Los Angeles property owners in selling their Los Angeles properties and buying in the Coachella Valley.

Palm Springs South office (2465 E. Palm Canyon Drive, Suite 605): **Stacy Wood** applies her Business Administration degree to nearly 3 decades in real estate, with career experience including property and assets management, and commercial real estate. **Dave Lintz**, with dual Masters degrees in Architecture and Business Administration, has for 37 years in real estate specialized in project management and development, and has been responsible for planning and construction of over 5.5 million square feet of private commercial development.
