**WINDERMERE PALM DESERT
WELCOMES MONTEREY COUNTRY CLUB AGENTS**

PALM DESERT (Calif.) – January 25, 2011 – Windermere Real Estate Coachella Valley is happy to welcome back **Team Monterey**--three dedicated and experienced agents to its Palm Desert San Pablo office located at 44-530 San Pablo Avenue. Each comes to Windermere with a long history and vast experience in Monterey Country Club. Clients desiring to buy or sell in the popular residential golf course development of Monterey Country Club in Palm Desert are assured the best-of-the-best in representation with this dynamic team.

Joan Marshall, originally the receptionist for the team, earned her real estate license over ten years ago, while concurrently growing her successful Interior Design business. She has succeeded with both careers, having personally redone over 40 Monterey Country Club homes. As a Canadian, Marshall is a favorite with the large number of Canadians looking to buy or sell in this notable community.

Michele Rodi has helped her clients buy and sell at Monterey Country Club for almost 8 years. She and Marshall together have had sales exceeding \$38 million dollars in one year alone, and point to 2011 as a year already noteworthy in sales activity.

Dean Wartelle rounds out the dynamic team, bringing his own unique perspective to clients looking to buy or sell here. The three have in excess of **20 years** combined Monterey Country Club sales experience.

The team not only provides exceptional service to its clients; they together support a number of notable community services, including the Desert Cancer Foundation Home Tour fundraiser each March, and the St. Patrick's Day fundraiser for wounded soldiers. They also help present the popular Monterey Country Club 'Friends-Of-Canadians Cocktail Party' each season.

Monterey Country Club is noted for its active social living. Providing the discerning client the finest of features in an affordable environment of approximately 1200 homes, its amenities include 27-hole golf, 19 tennis courts, a snack bar, and a full-service restaurant. 35-40% of the owners are year-round residents. It is rare to find such a high percentage of full-time owners, further proof that Monterey Country Club is one of the desert's more desirable gated communities.

To contact this dynamic team, call 760-565-6233 or email at teammonterey@earthlink.net and allow their expertise to work for you.
