DAVID BRONSON SIGNS ON WITH WINDERMERE

RANCHO MIRAGE (Calif.) – February 26, 2011 – Windermere Real Estate announced Saturday that David Bronson has joined ranks with its Windermere Rancho Mirage office at 71-691 Highway 111.

Windermere was Bronson's first stop after moving to the Coachella Valley from Las Vegas, Nevada, where he enjoyed a 20-year career as Broker/Realtor in that area's volatile and exciting residential market.

Bronson applies his knowledge and experience to every corner of the desert's real estate environment, and provides his distinct brand of service to clients in all segments of the Coachella Valley market.

In addition to his successful real estate career, he treasures some very special memories of a long and fascinating connection to the world of music. "I played drums for the Righteous Brothers from 1982 until 2003," he notes. "I opened for Kenny Rogers, I've played at the White House. I've worked with Stephen Stills, Alabama, the Mamas and the Papas...it's an eclectic list, isn't it?" Real estate is eclectic as well, and Bronson appreciates the subtle similarities. Each transaction has its own unique rhythm, its own challenges. "I love helping my clients experience the satisfaction of a smooth real estate transaction. Whether it's a purchase or a sale, my job is to ensure a happy and satisfying experience." And in real estate, David Bronson has perfect pitch.

Windermere Real Estate is playing your song at locations all around Southern California. By providing a full range of legendary service and products throughout the real estate spectrum, Windermere ensures each buyer and seller an outstanding real estate experience.
