**TEAM MONTEREY CONTINUES TO WOW**

**PALM DESERT (Calif.) – February 26, 2011** – Windermere Real Estate agents Joan Marshall, Dean Wartelle, and Michele Rodi, at the Palm Desert office located at 44-530 San Pablo Avenue, specialize in the hugely popular Monterey Country Club lifestyle. Marshall, Wartelle and Rodi have long been linked to Monterey Country Club; known as ‘Team Monterey,’ they bring over 20 years combined sales experience to their Monterey Country Club clients.

It’s no secret that this legendary development offers one of the most exciting and active country club environments anywhere in the desert. Ownership consists of 35-40% year-round residents, remarkable considering the substantial ratio of Canadian homeowners in the development; and one of the many reasons for the ongoing desirability of these homes is the broad array of year-round social events designed around its residents and guests.

A taste of recent and upcoming events: on Wednesday, February 16, the development hosted its third successful ‘Friends of Canadians Cocktail Party.’ Coming up for St. Patrick’s Day in March, Team Monterey will again help host the annual Marine Corps fundraiser for wounded soldiers. Billed this year as ‘The Battle of the Bagpipes,’ the party, held around the clubhouse pool, will include beer, wine, soft drinks, and three competing pipers. Team Monterey also co-sponsors Monterey Country Club Home Tours, a rare chance to see inside some of the most beautiful residences in the Valley.

Amenities available to Monterey Country Club residents and guests include 19 tennis courts, 27 holes of golf, a snack bar and a full-service restaurant.
