FOR IMMEDIATE RELEASE

Valery Neuman is Number One in Valley for Third Consecutive Year

INDIAN WELLS (Calif.) – February 25, 2012 – Windermere takes exceptional pleasure in congratulating Valery Neuman, Broker Associate with Windermere's Indian Wells Luxury Homes and Estates division (74-996 Highway 111). A consistently top producing agent, Valery has again been named by the Palm Desert Board of Realtors as the leading agent for her sales for 2011, closing the highest volume of real estate sales transactions (in dollars) in the Coachella Valley. Making her accomplishment all the more notable, this marks her third consecutive year earning this top distinction: in 2009, Valery closed over \$58 million in combined sales transactions; in 2010, she surpassed her own record with combined sales exceeding \$80 million, and in 2011, her combined sales were more than \$52 million.

Valery, a licensed real estate professional in the desert for over two decades, represents a prestigious core of international buyers and sellers for the most sophisticated estates and properties across the Coachella Valley. A large part of her success is rooted in repeat clientele and referrals. An integral member of the Windermere Premier Properties program, Valery is at the leading edge of the Valley's luxury market. She commands a dedicated team whose experience and backgrounds include escrow coordinating, advertising, and contract administration, and clients clearly appreciate this total package of customer service; her sales in the current year already include several high end properties, including a \$10.5 million sale at Bighorn.

Crediting outstanding professionalism and work ethic for this impressive success, Bob Deville, co-owner, Windermere Southern California is proud to recognize Valery's remarkable accomplishment. "Valery Neuman represents the best of what our business has to offer, and we are justifiably proud that she and her team call Windermere home. Windermere has, in just ten short years, become the real estate market leader in the Coachella Valley. We share her dedication to providing the finest service in the industry."
