Windermere Real Estate SoCal Welcomes Nick Clarke

SAN DIEGO, CA – NOVEMBER 30, 2014 – Windermere Real Estate SoCal is proud to welcome REALTOR® Nick Clarke to its family of real estate professionals in the Hillcrest/Mission Hills office, located at 265 W. Washington Street. Clarke is versatile, working with buyers, sellers, and investors to find the perfect real estate deal from Oceanside to Mission Hills.

“I love being able to serve my clients and build a business in something I enjoy doing,” Clarke says. He was drawn to the real estate industry because of a curiosity after personally buying and selling homes. “Real estate has always been part of the ‘American Dream’. I take pride in helping my clients achieve that dream.”

Clarke retired as a First Sergeant from the U.S. Army where he received a Meritorious Service Medal, Army Commendation Medal, and served with NATO as a member of a Multi-National Battle Group in Kosovo. He is also a member of the Veterans of Foreign Wars (VFW). Clarke enjoys working with military clients to help improve their lives through home ownership. “I understand the military life and want to see service members and my fellow veterans set themselves up for success after their military careers,” continues Clarke.

In addition to working with traditional buyers and sellers and military clients, Clarke has become an expert in working with investors on investment properties. As a member of multiple investment clubs, Clarke has made in-roads with the investment community. “Coming from an investment background, I know the process and what investors are seeking in the market,” Clarke adds.

Clarke chose to move to Windermere SoCal because “the owners are very involved in their own business. It feels like family, and it just feels right.” His comfort level with the managing brokers throughout the recruitment process, as well as the high level of support Windermere provides, made the choice even easier.

“Nick Clarke is a wonderful addition to our team,” stated Kirk Gregor, Managing Broker. “His diverse skillset and comfort level working with investors equips him with the tools he needs to be highly successful in the San Diego real estate market.”
