

FOR IMMEDIATE RELEASE

Bob Bennion and Bob Deville Welcome Nancy Schwarz

SAN DIEGO, CA – JUNE 21, 2015 – Bob Bennion and Bob Deville, Owners of Windermere Real Estate SoCal, are proud to welcome Realtor® Nancy Schwarz to the Encinitas office, located at 258 North El Camino Real. Nancy earned her real estate license in 2006 and enjoys helping home buyers and sellers throughout North County San Diego, including Carlsbad, Encinitas, San Marcos, Solana Beach, and Cardiff-by-the-Sea, experience real estate success.

Prior to entering Real Estate, Nancy, who holds a B.A. in Visual Communications, was a graphic designer specializing in corporate communications. She applies her crisp ability to listen and effectively communicate to offer exceptional client service and satisfaction. “As a graphic designer, I had to work cohesively with an assortment of people and personalities and maintain a sharp attention to detail,” says Nancy. “The same concepts relate to real estate. I am great at applying my clients’ needs and creating a productive, successful end result.” She also parlays her creative eye to help sellers de-clutter a space to maximize their homes’ appeal and buyers see the potential in a home.

Clients easily put their trust in Nancy due to her intimate knowledge of the local real estate market, calm approach to service, and dedication to doing

the right thing. “I am patient, honest, and always strive to meet my client’s needs first. Buying a house is a big commitment and people want someone who is dependable to help them through the process,” she adds. Drawing from her background as a collegiate tennis player and competitive triathlete, Nancy works hard and stays focused in order to perform at an elite level. “I make sure to follow through, always do what I say I’m going to do, and go above and beyond for my clients.”

Nancy took a natural path to real estate. She loves old homes, antiques, and architecture, and has a hard time resisting an invitation to tour an open house. “I have always been drawn to real estate, so it was an easy transition for me to share that passion with others,” she says. Nancy harnesses her passion for giving back to the community and for antiques by volunteering at the Hospice of the North Coast thrift shop. “It feels good to give back and meet great people in the process.”

Nancy joined Bennion and Deville’s Windermere SoCal because of the way the brokerage treats its agents. “It feels like they are working for me to help me be successful, rather than the other way around. I also enjoy the boutique feel to our operation, but with the benefit of having a major corporate identity,” Nancy concludes.

“Nancy is a valuable addition to our Encinitas office family,” says Kirk Gregor, Managing Broker. “Her years of experience in the business and

strong client service instincts allow her clients to successfully cross the finish line. We are proud to welcome Nancy and look forward to working with her.”
