

FOR IMMEDIATE RELEASE

Bob Bennion and Bob Deville Welcome John Corby

LAGUNA NIGUEL, CA – AUGUST 2, 2015 – Bob Bennion and Bob Deville, Owners of Windermere Real Estate SoCal, proudly welcome Realtor® John Corby to the Laguna Niguel office, located at 27941 La Paz Road, Suite A. John leverages his training and experience developed in his law enforcement career to help buyers and sellers throughout South Orange County achieve their real estate goals.

Prior to entering real estate, John was an Orange County Law Enforcement Officer for 30 years, helping to make the local community a better place to live. Real estate is a natural segue from law enforcement because it allows him to continue to serve the people and improve their lives. “It is fulfilling to know I am making a difference in people’s lives, but in a different aspect than in my previous career,” John says. “Orange County offers an incredible lifestyle to its residents and I am excited to share those highlights with my clients. I have always been passionate about creating the best environment possible in Orange County, so to share that passion with others and help them fulfill their lifestyle dreams is an honor.”

John uses the skills he learned in law enforcement to help his clients. “I am able to read people very well and sift through the information to find the key pieces to analyze. As a result, I can negotiate effectively on behalf of

my clients and diffuse potentially volatile situations by navigating through the process with the other side to come to an amicable resolution.” John’s attention to detail and honest approach to client service allow him to listen to a client’s needs and deliver the right fit, whether it’s the best offer on a seller’s home or identifying possible homes that meet a buyer’s lifestyle, budget, and taste.

John joined Bennion and Deville’s Windermere SoCal because of the brokerage’s established roots in Orange County. “I wanted to work with a company with a strong presence in our local community. In addition, the resources they provide to their agents are a huge draw that many of their competing brokerages do not offer,” John concludes.

Says Managing Broker Sandi Richardson, “I am excited to welcome John to our growing family of real estate professionals in the Laguna Niguel office. His distinct skillset and people-oriented approach to real estate serves him well and I know he will be very successful with us.”
