**Windermere Real Estate Southern California Welcomes Pehgee Morris**

PALM DESERT, CA – SEPTEMBER 12, 2015 – Bob Bennion and Bob Deville, Owners of Windermere Real Estate Southern California, proudly welcome Realtor® Pehgee Morris to the Palm Desert Portola office, located at 73993 Highway 111. Pehgee earned her real estate license in 1984 and offers over three decades of industry experience and exceptional client service to help home buyers and sellers in Palm Desert, Rancho Mirage, and Indian Wells.

After a successful career in Hospital Administration, Pehgee focused on obtaining a real estate license due to her brother's encouragement. "My brother was Commissioner of Real Estate for the State of Hawaii," Pehgee says. "He knew of my talents and interests from childhood regarding Home Decorating and Landscape Design along with my genuine outlook on life and sincere interest in helping others with a positive attitude. Transitioning from Health Care to Real Estate Sales is the best decision I ever made."

Pehgee enjoys the challenges the real estate industry poses on a daily basis, reveling in the fact that no two transactions are identical. In addition to the constant changes within the industry, she cites her passion for client service as a big factor in her love for her career. "I enjoy meeting new people and listening to their goals so I can help them. There is so much joy in showing a client something they didn't know existed and opening up new doors and

opportunities for them. There is always something new out there to experience,” Pehgee says.

When it comes to client service, Pehgee believes in the tried and tested “Golden Rule.” “I treat my clients the same way I would want to be treated if I were in their situation. My job is to act in their best interest while still trying to create a win-win scenario for all parties involved,” continues Pehgee. As a result of her steadfast dedication to her personal service philosophy, she has created strong relationships with many clients that have resulted in repeat business and referrals.

Pehgee believes in giving back to the community, spending her time volunteering with Loving All Animals, an organization committed to working with other local and national animal welfare organizations to find homes for adoptable animals. “I sold Lindi [Loving All Animals Founder and President] a home a while ago. When she was launching Loving All Animals, she called me and asked me to head up the volunteers. It was easy to say ‘yes’ to that cause.”

After spending the majority of her career with another prominent brokerage in the Coachella Valley, Pehgee made the switch to Windermere Real Estate Southern California because of the company’s positive reputation among her peers and the market share the brokerage has within her primary markets. “I enjoyed my interview with Randy [Wiemer,

Managing Broker] and the physical location of the Portola office.

Windermere’s aggressively progressive outlook and support of its agents is exceptional, as well. After referring two of my friends to them, I finally had to take a hard look and make the same decision myself,” concludes Pehgee.

“Pehgee’s legacy within the communities she serves is incredible,” states Randy Wiemer. “Her recipe for success is simple and something other agents should learn from – work hard for your clients and always do the right thing. With those two principles as the cornerstones of her business, she has built a strong career that we are excited to have her continue with us at our Portola office. On behalf of everyone in our Windermere family, I would like to welcome Pehgee.”
