

Bennion Deville Homes Offices Accepting Donations To Help Fill Local Food Pantries

Bennion Deville Homes is participating in the Palm Springs Regional Association of Realtors® (PSRAR) food drive by collecting non-perishable food items and money at select offices throughout the Coachella Valley. All donations benefit Well in the Desert, a 501c3 non-profit organization providing daily nutritious meals, emergency food distribution services, and advocacy for those affected by poverty. The food drive runs from June 15th to July 15th. Participating Bennion Deville Homes offices include:

Palm Springs Main - 850 North Palm Canyon Drive

Palm Springs Midtown - 1255 East Ramon Road

Palm Springs South - 2465 East Palm Canyon Drive, Suite 605

Palm Desert San Pablo - 44-530 San Pablo Avenue, Suite 101

Palm Desert Portola - 73993 Highway 111

“We are proud to help with the PSRAR’s canned food drive, benefitting Well in the Desert,” says David Cantwell, Managing Broker and Director on the PSRAR Board.

“The local supply of donations wanes in the summer months, but it is imperative that we continue to keep the supplies at a moderate level to ensure everyone in our local community who is in need may be supplied, and in case of emergency.”

Adds Managing Broker Denise Anderson, “We would like to thank everyone for participating in years’ past and hope to see those generous donations again this year. Every donation helps and goes a long way toward reaching our goals.”

Please bring non-perishable goods, monetary donations, or gift cards from local grocery stores to any of the participating Bennion Deville Homes offices between now and July 15th. Items in need include: Peanut butter, jelly, canned fruits and vegetables, fruit juices, canned meat and fish (chicken, tuna, and salmon), soups and chili, granola and breakfast bars, travel-sized toiletries, and bottled water.

“I would like to encourage all of our agents, staff, and clients to participate to the fullest extent that they can to help the PSRAR achieve their fundraising goals,” states Bob Deville, Co-Founder of Bennion Deville Homes. “The services that Well in the Desert provides are essential to our community and help many of our friends, neighbors, and families. Many of these supply stores run low in the summer months, so this event is a critical component to re-stocking the shelves and keeping the supplies flowing. We are happy to help in any way that we can and wish all participating brokerages good luck in their fundraising efforts.”

Last year, the PSRAR food drive raised a total of 16,481 pounds of donated food and \$3,000 from all participating brokerages. The Palm Springs South and Palm Springs Main offices of Bennion Deville Homes combined to raise just under 6,800 pounds of donated food items, with Palm Springs South placing second in most food items raised and Palm Springs Main placing third in a friendly competition with other members of PSRAR.
