COLON & ASSOCIATES CONTINUE TO SHINE WITH WINDERMERE

Windermere Real Estate is proud to recognize Cherie and Lew Colon of Colon & Associates, providing legendary Windermere customer service and products to their San Jose/Silicon Valley buyers and sellers. Cherie, who has been named a Power Player in San Jose Magazine's Top 5% Realtors, brings sensitivity and insight learned from earlier careers in the nursing and legal professions. Lew credits Cherie's patience, razor sharp negotiation skills, and attention to detail for their clients' continuing satisfaction. Cherie and Lew boast an impressive repeat and referral rate, due in equal part to Lew's contribution to their partnership: a knack for bringing the finished package together, gained from owning his own brokerage with clients including Costco, In-n-Out Burgers, and Sara Lee. Lew maintains an impressive roster of contacts in the building trades, from which he has built a real estate 'concierge service,' a team of contractors skilled at every aspect of real estate, from preparing a home for market to after-sale remodels and landscaping. While based in San Jose and specializing in the San Jose/Silicon Valley high end market, Cherie and Lew enjoy an affiliation with Windermere's Southern California offices which allows them to offer Windermere quality service to their South Bay clients interested in second homes and investment properties in the Coachella Valley. "Cherie and Lew Colon are a great match with Windermere," says Bob Deville, co-owner, Windermere Real Estate SoCal. "We share the same values: hard work, honesty, and a commitment to each client to provide a successful and satisfying real estate experience."
